Dear Examiner Mai:

As per your telephone conversation earlier today with Michael O'Connell (Reg. No. 42,950), the Office Action mailed on Feb. 1, 2006, identifies claims 43 and 44 as rejected in the Office Action Summary yet the substantive discussion does not include a rejection of these claims. In order to make a record, we are writing to confirm that you had indicated that you would issue a Supplemental Office Action addressing claims 43 and 44 with a new response time for the Feb. 1st Office Action and the Supplemental Action of one month from the mailing date of the Supplemental Action.
